

## **Third Party Software Notices and/or Additional Terms and Conditions**

Applicable for the following product(s): Streamsource AB's Streamflow™ eID PlugIn

Streamsource provides software which includes or is linked with software supplied by third-parties, ("Third-Party Software"). Streamsource is providing the Third-Party Software to you by permission of the respective licensors and/or copyright holders on the terms provided by such parties, including those terms required to be provided to you that are set forth below or referred to below, and subject also to the license agreement(s) for the Streamsource software. Streamsource expressly disclaims any warranty or other assurance to you regarding the Third-Party Software. The following terms relate only to the Third-Party Software identified below. For reference, copies and/or references to certain license agreements applicable for the Third-Party Software is provided in an APPENDIX available from Streamsource.

Third-Party Software which is provided according to the Apache License (s) as well as the Third-Party Software below is listed in a separate NOTICE file available from Streamsource.
